

The materials used and distributed with this course are owned and/or licensed by EpiX Analytics (“Materials”). Materials include, but are not limited to, videos, slides, reading materials, exercises. All copyrights in and to the Materials, unless otherwise noted, are retained by EpiX Analytics and/or its licensors.

Participants are granted a limited, **single-user** license to use the Materials solely as part of the course, or in connection with their **own** risk analysis and quantitative risk modeling use. Participants agree **not** to copy, distribute, re-publish, display, or create derivative works from the Materials.

Example code or example models provided during the class are provided via the Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International (see <https://creativecommons.org/licenses/by-nc-sa/4.0/> for more information). Participants agree that any continued use of those models will be in accordance with the terms set forth therein.
